Waiting List Application

Thank you for considering a puppy from Back Country Aussies! We are excited to share this breed with your family and hope to find you your perfect match! Please enclose this form with your \$50 deposit so we can contact you in the best way when new litters arrive. If any adult dogs become available, you may use this deposit to go towards the purchase of desired dog. Note that all deposits are non-refundable but may be transferrable. This deposit is to ensure your pick in future litters, not to reserve a particular puppy or dog but will be applied to the total purchase price of the animal.

The order in which deposits are received will be the order each individual will be contacted. Buyers have the option to pass on any litter, or continue to wait until the time is right for them. We will typically email you once a new litter arrives in which we will give you 48 hours to respond for your pick. Please note that if you have specifications on this application as to what you are looking for we will only contact you when we have puppies that match that description.

Please keep in mind that we offer lifetime Aussie support for any questions regarding this breed! Feel free to contact us anytime with questions or concerns. We don't always have all the answers but are always available for any information we can share and learn about this breed!
